On October 6, 2020, Governor Wolf announced changes to the spectator limits that will impact VRCS athletic events. New guidelines will allow for 20% maximum occupancy for indoor events.

Tuesday, October 6, 2020, the VRCS Board of Directors voted to allow spectators (parents/guardians) to attend sporting events. The following changes to the VRCS Return to Play Policy are per Pennsylvania's COVID-19 amended guidelines.

Effective Monday, October 12, 2020:

- All athletic events will be held at the VCHS gymnasium.
- Two hundred people will be allowed into the VCHS gymnasium during sporting events. 20% capacity of 1,000, includes players, coaches, essential personnel, officials, and spectators.
- Student athletes will be issued four tickets to each home game, provided the total number of spectators does not exceed the venue gathering limit.
- Admission will be charged at each event. Ticket prices will be posted at the door.
- Masks are required at all times.
- Social distancing, except for family members, will be required of all in attendance.
- Hand sanitizer will be placed at each entrance and exit.
- No concessions will be available at this time.
- Spectators are asked not to congregate before or after an event.
- All participants are asked not to attend a sporting event if they have a fever, present signs of sickness, traveled outside of the state, or have come in contact with someone who has or is suspected of having COVID-19 within the past 14 days.

Additional Information:

- VRCS plans to have upper elementary (grades 4-6), junior high, and high school sports that will begin in November. This includes boys and girls basketball and cheerleading.
