

Dear Families,

A new school year has begun and a fresh start for service hours has come with it. We cannot express enough how deeply important service hours are to our community and the growth of our students. Many of our events require the effort of our students and you, their families. Thank you for all you have done for the school and the community at large.

The service hour program will now be a component of your student's Theology class. If a student does not complete the service requirement, they will not pass the Theology class for the year and will have to repeat it. We ask the student to adhere to this rough schedule, as much as possible, of completing 15 hours by January 3<sup>rd</sup> and 10 hours by May 16<sup>th</sup>. Completed hours should have a form signed and turned into the Theology teacher.

Opportunities for hours will be made known throughout the year. The many hours can be completed at the Roast Beef Dinner, Fish Fry and Prom set-up. Please ask anytime for opportunities.

Once all hours are completed the student should submit through Google Classroom a reflection paper. This paper should be one page, double spaced in MLA format. The student should write about how the experiences benefitted them from a physical and spiritual sense.

If you have any questions about service hours please do not hesitate to contact us.

Sincerely,

Brian M. Slider  
Theology 9-12

Shannon Goreczny  
Theology 7-8
