### Help Support Venango Region Catholic School With Your Tax Dollars

Dear Venango Region Catholic School Community,

The Educational Improvement Tax Credit Program (EITC) allows businesses and individuals to direct their PA State taxes to our students instead of sending those tax dollars to Harrisburg. It is a simple and easy process that will turn the tax dollars you already owe into scholarships and financial aid for our students. When you sign the pledge form to become an EITC participant, your tax dollars make a difference right here in our community. Venango Region Catholic School is dedicated to growing our EITC program with the community's help so that we can continue serving families that wish to give their children a Catholic education.

#### HOW YOU CAN HELP:

For those families and businesses that pay PA State income taxes and meet program guidelines, we ask that you consider keeping your tax dollars local. By signing the pledge form, the taxes you owe will directly impact our local community and our school by turning those tax dollars into financial aid. The more families we have participating in the program, the better we can assist with financial aid in the coming years.

We have been working closely with FundEDU and the Central Pennsylvania Scholarship Fund, who have helped participants through the simple, one-page pledge form process. In the coming weeks, FundEDU and its local team will be reaching out to parents, alumni, and local business owners about participation in the program. If you or anyone you know may be interested in having your taxes benefit Venango Region Catholic School, please reach out to Alyse Maslonik at 814.404.9480 or [info@fundedullc.com](mailto:info@fundedullc.com).

Sincerely yours in Christ,

Mrs. Laura Blake
