

# VENANGO REGION CATHOLIC SCHOOL

Dear VRCS Families,

In the coming weeks, the likelihood of inclement weather will increase. To prepare for the upcoming winter season, please review the cancelation and two-hour delay procedures.

Venango Region Catholic School draws students from many local school districts. However, VRCS works directly with the Oil City School District to determine the need for a weather-related cancelation or 2-hr. delay. If Oil City School District is closed, VRCS will move to remote instruction (closed for face-to-face instruction) or use a traditional snow day. The decision to close or delay will be (in most cases) made by 6:00 a.m.

Any weather-related closing or delays will be announced through our school broadcast system, local news outlets, and the VRCS Facebook page. It is the parent's responsibility to monitor the situation to determine the status of school closings and transportation schedules.

Please be prepared for VRCS to utilize remote instruction on days deemed unsafe for face-to-face instruction due to dangerous weather conditions. If remote instruction is unachievable, traditional snow days will be used. VRCS will refrain from using traditional snow days to ensure that breaks, such as Easter vacation, are not disrupted when many families choose to travel.

If school is closed for face-to-face instruction, all school events and after-school activities will be canceled for the day.

The decision may be made to postpone school for two hours rather than canceling school, should there be a reason to believe that conditions may improve. In the event of a two-hour delay, the following schedule will be employed; the main doors of all schools will open at 9:30 a.m. Students in grades PK-12 should report directly to homeroom as they usually do. The late bell will ring at 10:05 a.m.

Please keep in mind that weather conditions may deteriorate during the day, and the need may arise to dismiss the students early. Should an early dismissal occur, students will be sent home via their usual method of transportation. I would suggest that parents develop a contingency plan for childcare in the event of a school delay, closing, or early dismissal. If your contingency plan requires different means of transportation rather than the usual method, please inform the school.

If your home district, outside of Oil City School District, is canceled, students are not required to report to school. For example, if Clarion Area School District is canceled due to inclement weather, students from that district are not required to report to school. This only applies to weather-related closings and delays. For example, if school is canceled in a home district due to a power outage, VRCS students are still expected to attend school at our campuses.

**Remember, our primary means of communicating inclement weather to you is through our school broadcast system. \* You must have an emergency number in the system. Please notify the school if you have additional work, cell phone, or other emergency numbers that need to be included.**

May God bless you and keep you safe and warm this winter.

Mrs. Laura Blake
