

Dear VRCS Families,

Please be advised that a junior high student at our VC campus has tested positive for COVID-19.

The administration has contacted all individuals today who need to quarantine, September 30, 2021.

As always, I respectfully request that you commit yourself and your family to take the following steps to keep our school family safe and to allow us to continue to deliver face-to-face instruction:

- If anyone in your household is presenting symptoms and is awaiting COVID-19 test results, all members of your household should isolate. Please keep your children home from school until test results come back negative. Please contact the school to arrange remote instruction.
- If your child is not feeling well in the morning, keep them home. Please remember that giving your child fever-reducing medication can mask symptoms of COVID-19, which could result in an unintended exposure of our school family to the virus.

Thank you for your partnership in ensuring the safety of our students, staff, and the entire school community. If you have any questions or concerns, please contact the administration via email or by phone.

Sincerely,
