

Dear St. Stephen Parents and Guardians,

Please be advised that a student at our St. Stephen Campus has tested positive for COVID-19.

As a result, the following action items at the St. Stephen School campus will need to be implemented.

- 1. Due to direct exposure dates, no student or staff member is required to quarantine.**
- 2. Students in 2nd and 3rd grade will be required to wear a mask while at school or in social settings starting today, Monday, February 28, until Saturday, March 5.**

Please reference the following CDC guidance:

<https://www.cdc.gov/coronavirus/2019-ncov/your-health/quarantine-isolation.html>

As always, if your child is not feeling well in the morning, keep them home. Please remember that giving your child fever-reducing medication can mask symptoms of COVID-19 and could result in an unintended exposure of our school family to the virus.

If you have any questions or concerns, please contact the administration via email or phone.
