

Dear St. Stephen Parents and Guardians,

Please be advised that two additional students at our St. Stephen campus have tested positive for COVID-19.

As always, if your child is not feeling well in the morning, keep them home. Please remember that giving your child fever-reducing medication can mask symptoms of COVID-19 and could result in an unintended exposure of our school family to the virus.

Please contact the administration via email or phone if you have any questions or concerns.
