

Dear VC Parents and Guardians,

Please be advised that a student at our VC Campus has tested positive for COVID-19. Due to swift isolation, no further action is required at this time.

As always, if your child is not feeling well in the morning, keep them home. Please remember that giving your child fever-reducing medication can mask symptoms of COVID-19 and could result in an unintended exposure of our school family to the virus.

If you have any questions or concerns, please contact the administration via email or phone.
