

welcome back to school!

DEAR FAMILIES,

Welcome to a new school year! I hope you have had a restful, enjoyable summer filled with opportunities to spend time with family and friends. We are excited to welcome our students back and look forward to another wonderful year of learning, growth, and faith.

This year's theme is "Light of the World," inspired by the words of Jesus in John 8:12: "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life."

My prayer is that each student grows not only academically, but also in their relationship with Christ, allowing His light to shine through them each day. Enclosed you will find the forms and information needed to begin the school year.

This summer, I spent a great deal of time reviewing and updating our school handbook. While it is a lengthy document, it contains important information that helps ensure a successful partnership between home and school. Please take the time to carefully review the handbook and the Family Partnership Compact before signing the required forms.

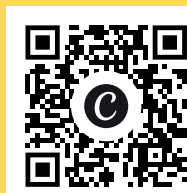

Every document included in this packet is important and should be completed and returned on the first day of school. An incomplete packet may delay your child's ability to be photographed, receive a Chromebook, access the internet, or participate in other school activities that require parent permission. Thank you for taking the time to complete these materials before the start of school. Your partnership and support are essential to the success of our students and our school community.

We are looking forward to a blessed and exciting year together!

In Christ, *Ms. Chandley* katherine.chandley@venangocatholic.org
